## PLEASE READ BEFORE BIDDING

Coins and medals are sold at *so much per lot* and no lot will be separated. The auctioneer will accept an advance of 1 cent up to 50c., then 5c. up to \$2.50, when 10c. advance must be bid, up to \$10, when no advance under 25 cents will be accepted. You can bid anything up to 50c., after that the bid must be 55c., or 60c. Such offers as 51c., \$1.01, etc., are unavailable.

Auction sales are strictly for cash. Parties unknown to me and bidding for the first time, must give bank or other reliable reference.

Forward your bids as early as possible, as thousands of bids have to be entered. Do not make ridiculously low bids, such as 10 and 15c. on foreign silver coins worth several times over as bullion. Write your bids plainly, with a pen if practicable. I have taken special pains to carefully and fairly describe each lot.

Where the number of pieces in a lot is not given after the description, there is but one piece in the lot.

The coins, etc., in each lot are different unless otherwise described.

*Be sure you bid on the lot you wish to buy.*

All coins etc., are genuine unless otherwise described.

My charge for executing bids will be 5 per cent. No charge made for bidding except for lots actually purchased. Remit by money order or New York draft, as the usual exchange fee will be deducted from checks.

We will price your catalogue for \$1.00.

One of the rarest of the double eagle patterns and of a unique design.
- 463 1875. Twenty Cents. Nickel proof. Seated female to left with sea and steamship in distance. Two flags, wheat sheaf behind. Liberty rests her hand on a globe bearing the word "Liberty". Rev. the regular design of the year. Only two or three of these pieces known in nickel.

- 467 1883. Five Cents. Nickel proof. Head of Liberty as on adopted type of the year, but above head, in small letters the word "Liberty". Rev. as adopted in 1883. This probably takes front rank in the list of rare pattern five cent pieces.
